COOPS~ STORAGE ~SMALL ANIMALS COMBO / UTILITY BARN

Create your own Combination barn just the way you want it!

- Storage area with single or double doors
- Chicken coop with nesting boxes, chicken door, man door & more
- Open stall (no floor) for Ponies, goats, sheep, Llamas & more
- Closed stall for horses or other animals

Why buy 3 or 4 buildings when we can build you ONE building that will meet the needs of all your animals?

We do build all these buildings, but this design allows us to build a combination barn that will take care of all your needs.

Our goal is to have a Christian family business where we endeavor to practice the Golden Rule.

Rent to Own available with 25% down & payments for 36 months. 50% on \$3000 or less

10X10 RUN IN SHED

for ponies, sheep, goats & other small animals.

Closed stall w/ door available

CHICKEN COOP

Nesting boxes

Treated floor

Front entrance door

Chicken door

STORAGE AREA

Can be custom built for The amount of storage space that you need.

Can also be used for a feed room, tack room, or for general storage.

Hinged wooden windows or regular aluminum slider glass windows available.

If site prep is needed, Customer is responsible to have completed prior to delivery. We do need a fairly flat area to place barn. We have a recommended Excavator if work is needed.
