Notes For Buildings:

Park Model orientation on trailer needs to be specified when ordering so we can install it exactly where you want it.

All Park Model RVIA Cabins come with 12 month warranty on Structure-
Manufacturer's Warranty on all Appliances, hot water heater and Heating/cooling unit

~ Customer is responsible for all site prep, Concrete footers are required or no warranty on shifting / settling of unit (or Doors not Latching properly not warrantied)

~ These buildings come on a Heavy duty steel Frame, once onsite the axles or wheels can be removed if desired. Customer is responsible to have Concrete strip footers poured to block the Units up .

(Concrete Footers are recommended to avoid settling , please ask for foundation plans)

Ask about setup, if third party delivery crew they may not offer set up so please ask !

Blocking and anchoring is additional costplease have site accessible for large RV trailer can back in or pull in

~ Appliances are all electric (can't guarantee brands or features)

~ All Cabins come standard with spray foam insulation in the ceiling, R13 fiberglass in walls, and Spray foam insulation under the floor

~ These Units have been inspected by RVIA Inspectors and meets all ANSI A119.5 Code for Recreational Park Trailers. They will have a RVIA Seals and are equipped with all safety equipment and safety labels.
