Notes For Buildings:

Park Model orientation on trailer needs to be specified when ordering so we can install it exactly where you want it.

All Park Model RVIA Cabins come with 12 month warranty

~ Customer is responsible for all site preparation if needed.

~ These buildings come on a Heavy duty steel Frame, once onsite the axles or wheels can be removed if desired. Customer is responsible to have Concrete strip footers poured to block the Units up in order to anchor. (Footers are recommended to avoid settling) Our Crew can block up if concrete blocks are onsite. (inquire about quantity and sizes of blocks needed)

~ All Cabins come standard with spray foam insulation in the ceiling, R13 fiberglass in walls, and Armor Arrestor foil insulation under the floor

~ These Units have been inspected by RVIA Inspectors and meets all ANSI A119.5 Code for Recreational Park Trailers. They will have a RVIA Seals and are equipped with all safety equipment and safety labels.

~ Metal tie down strapping is included but please let us know if you need anchored.
