HillTop Structures is not responsible for all site preparation and permits (if needed). Customer must also remove all obstructions such as gate, fences, etc. Hilltop will provide concrete blocks and level your building at no additional cost. (unless grade is excessive & extra blocks are needed)  
 These buildings make fine garages, workshops, pool houses, storage sheds, etc! We can add windows, lofts, ramps or other features to make this building meet your needs! Our goal is to offer you a quality product at a reasonable price.
